

## 02 | 06 Chip Chop

02 | 06 Chip Chop is the second part of EMERGEANDSEE's 2006-selection and again, it's packed with the most creative and entertaining short films from international art schools and film colleges. If you haven't seen part one yet, go and get it, it's called 01 | 06 Hibernation Statement. We suggest you invite some friends and host your own short film festival in the comfort of your own home. Enjoy!  
By the way, running time is about 70min.
